

Hello, I'm Howard, the managing director.  
We come with PCBs.

NCAB Group maybe a relative newcomer to the UK market place, but internationally, we have been around for more than 18 years. In 2010 we delivered 45m PCB's and we will continue doing what we do best:

**producing PCB's for demanding customers, on time with zero defects, and at the lowest total cost.**

If this sounds interesting, please don't hesitate to contact us.
